Erasmus+ KA 171 Mobility Program for Students-2024 (Revised)

November 07, 2023

The Office of International Cooperation and Collaboration Centre (ICCC), the Noakhali Science and Technology University (NSTU) is delighted to inform all concerned that the Nigde Omer Halisdemir University, Turkey has invited the applications from the qualified students of the designated departments of the NSTU for participating in the mobility program for studies in the aforesaid University for a semester supported by the European Union (EU) as part of Erasmus + KA 171 commencing from February, 2024 for the Master's program.

In this regard, please note that the students undertaking master's program (**Batch-13/Batch-12**) in the designated departments as shown below can apply for this mobility program. Please also note that one (01) student will be selected via proper process under this program. The students interested for participating in this mobility program must have at least the CGPA of 3.60 (on a scale of 4.00) in their undergraduate programs and adequate English language proficiency. The interested students have to send their applications in a prescribed form via email with a recommendation letter from their respective chairman and scanned attested copies of undergraduate certificate and transcripts to the additional director, ICCC, the NSTU (Email: rokonsiddiky.soc@nstu.edu.bd) by **November 10, 2023**. Please be informed that the applicants having valid IELTS score (overall band score of 6.0) and TOEFL score (PBT 544 or equivalent in IBT) will be given preference. While sending the applications by email, the applicants are required to put a carbon copy (cc) to (international@office.nstu.edu.bd). Please note that the NSTU authority reserves all the rights in this selection process.

Designated Departments: Agriculture; Applied Chemistry and Chemical Engineering; Biotechnology and Genetic Engineering
