Announcement of the Erasmus+ KA 171 Mobility Program for Academic Staff for Teaching-2024

April 30, 2024

The Office of International Cooperation and Collaboration Centre (ICCC), the Noakhali Science and Technology University (NSTU) is delighted to inform all concerned that the **Alanya Alaaddin Keykubat University (AAKU), Alanya, Turkey has invited the applications from the qualified faculty-members of the designated departments of the NSTU for participating in a week-long international credit mobility (ICM) program for teaching to be tentatively held from September 22, 2024 to September 27, 2024** in the aforesaid University as part of Erasmus+ KA 171 supported by EU. Please note that the period of the program may vary depending on the situation, and obtaining of the Turkish visa by the participant.

In this regard, please note that the applicants should be **an associate professor/ or a professor** preferably with a doctorate degree in his/her field of study and capable of giving instructions in English. Please also note that **one (01) academic staff** will be selected via proper process under this program. The interested faculty-members of the designated departments as shown below are advised to send their filled-out applications in a prescribed form via email to the additional director, ICCC, the NSTU (Email: rokonsiddiky.soc@nstu.edu.bd) by May 08, 2024. Please be informed that while sending the applications by email, the applicants are required to put a carbon copy (cc) to (international@office.nstu.edu.bd). Please note that the NSTU authority reserves all the rights in this selection process.

Designated Departments: Applied Chemistry and Chemical Engineering/Chemistry, Applied Mathematics, Biotechnology and Genetic Engineering (BGE), Computer Science and Telecommunication Engineering (CSTE)/ Information Science and Communication Engineering (ICE), Economics, Food Technology and Nutrition Science (FTNS), Business Administration, and Tourism and Hospitality Management
